10 WOMEN AND GIRLS DOING SENTENCES

(By Associated Press) DELPAST, May 8.—Ten women and girls are at present undergoing imprisonment for Irish political offenses, their sentences ranging from three months to 10 years.

The youngest prisoner, Mary Bowles, who was captured near Cork wearing armor and carrying a Lewis gun, is 15 years of age, and she has been ordered to be detained in a reformatory until she reaches the age of 19 years. Fifteen others have not yet been tried.

SUNDAY WAS AN IDEAL DAY

The weather yesterday was all that could be asked for by anyone. The day was an ideal one, the first real nice sunny day for many weeks. Many of Tonopah's residents took advantage of the balmy weather by auto outings to the nearby camps.

BRIAND NOT COUNTED IN FRENCH CENSUS

(By Associated Press) PARIS, May 9.—Aristide Briand, premier of France, strangely enough was not counted in this year's census as a resident of France. He happened to be in London on an important business the day the count was taken. This omission, however, and a great many others were corrected before the final figures were given out.

NOTICE

Tomorrow night, Tuesday, May 10, 1921, the dining room of the Harrington Hotel will be closed. The rooming department will be operated as usual. I am soon leaving for a vacation of several months to the coast, and desire to thank one and all for the patronage bestowed in the past.

MRS. MARY HARRINGTON, Prop. Tonopah May 9, 1921. M9-2t.

RICH STRIKE IN THE SILVER HILLS

A rich seam, one foot wide in a four-foot ledge, has just been encountered in the Silver Hills property, in the Jagers group, which assays 500 ounces in silver. The new discovery makes the Silver Hills one of the most promising mines in southern Nevada. Hugo Stimler, of the ore can be seen at Harry Stimler's office.

"A REAL GOLD MINE THAT STRIKES CANNOT INTERFERE WITH."
BUY THIS RANCH

One thousand dollars cash will put you on a ranch of 520 acres in Carson Valley, just one mile from Carson, the State Capitol. Six-room house, partly furnished, bath, cellar; good barn for 10 head of stock, holds 50 tons of hay; chicken houses and runs; pig sheds and pens; seven different fields; garden tract, fruit trees, shade trees.

The price, \$20 per acre, including all improvements, wagons, stock, harness, farm tools, farm machinery, separator, hay and grain on hand, growing crops, including alfalfa and grain.

One thousand dollars or more cash and ten years to pay balance with low rate of interest.

This would make a real home, no strike worry, and a good market at Carson City, just one mile distant, for everything produced. The ranch without improvements or machinery would be worth the price asked. Think it over. If interested write; or, better still, wire

OTTO STEINHEIMER, Owner, Reno, Nevada.

AMUSEMENTS

THE BUTLER TODAY

Ambition, love, mystery, the sordid state of theatrical life and mother love and trust are the ingredients which are used in the big special production, "The Greatest Love," which will be shown as a special attraction at the Butler today.

Verna Gordon, of "Humoresque" fame, is magnificent as the mother who with infinite pains builds up the fortunes of her family, only to see them topple over when she believed her work was accomplished, and she could pass the remainder of her life in peace and prosperity. In removing her daughter from the poverty-stricken squalor of the East Side slums, Mrs. Lantini believed she was also removing her from temptation and danger. That evil is not a question of environment was proved to her at a time when it seemed as if her cup of sorrow was overflowing. It is one of the big pictures; if you liked "Humoresque" you will like "The Greatest Love." It is here Monday, one day—do not miss it!

Tomorrow, Constance Talmadge in "Dangerous Business," a photoplay that snags like a rocket when placed in contrast with the average feature.
